Molding your visions

Online-News for Plastics and Pharma Technologies

inForm.Intro

Dear readers,

Slowly but surely we are heading towards the end of the year and can look back on a successful and eventful one. The event highlight was the "K 2013" in Düsseldorf, Germany, where we presented ourselves with a new corporate design and have welcomed many of our customers. As well as the setting of the 300th employee that reflects the continuos growth in recent years.

We would like to thank you for the good cooperation as well as your confidence and wish you and your families a Merry Christmas and a Happy New Year!

Best regards,

Erich Braun   Pamela Braun

Review K 2013, world's leading trade fair for plastics and rubber industry

From 16th to 23rd October 2013 two exhibition teams have conducted more than 600 conversations with existing customers and interested parties from all over the world at the "K 2013". In addition to the 50 m² sized Braunform booth in hall 1, which was designed according to the motto „the world in our living room", we were also represented with our 96-cav. mold for a pen hub at the booth of the injection molding machine manufacturer ENGEL where often were

long lanes of curious people. And also the Braunform booth enjoyed popularity and was always well attended.

A big crowd of people at the "Science Days"

Matching this year's motto "mobility" Braunform produced yo-yo's with a small injection mold on his booth.

Social position „Braunform – socially engaged"

This year again we follow our social point of view "Braunform - socially engaged" with a donation to the "Association for the support of children with cancer in Freiburg, Germany". We want to help children who are less fortunate.

Merry Christmas

We wish you and your families

a Merry Christmas and a Happy New Year.
