

PRESS RELEASE

Trainees of Braunform GmbH passed their exams successfully

The General Management graduates three trainees for their successful finished three years training period: Silvia Meier (Industrial Clerk), Eric Schwarz (Process Mechanic) and Marvin Jerg (Tool Mechanic). The technical trainees received a praise from vocational school or Chamber of Industry and Commerce.

Marvin Jerg will be taken over in an employment after his apprenticeship. He will gain his first work experience in milling department. The Process Mechanic Eric Schwarz will start postgraduate studies in October to deepen his theoretical knowledge. Silvia Meier is leaving the company at her own request to spend a Voluntary Year of Social Service (FSJ) abroad.

The sector training has a long tradition at Braunform as the company invests in its future since many years by offering various training occupations in the technical and commercial field. Since the beginning as a company that takes on trainees, already more than 200 qualified employees finished their apprenticeship successfully and could be taken over in a field of application afterwards.
