PRESS RELEASE

"We say thank you" - employees celebrate during the family day and also donate for a good cause

Braunform is celebrating 40 years of company history this year. But not only is the vision of Erich, Elke and daughter Pamela Braun the reason of this success story. More than 350 employees are loyal at the side of the family business from Bahlingen and Endingen in South-West Germany. Reason enough to say "thank you", and to celebrate an unforgettable day with all the employees and their families.

At Endingen, on Saturday, July 1, 2017, a lot will be presented to the guests. In small pagodas, numerous food stations are set up, ranging from barbecue to pasta and Asian delicacies. At noon there is an ice car and a mobile crepery. The party tent has become a meeting point for young and old with versatile music. In this private atmosphere there are many interesting conversations. In short, colleagues from various departments find the opportunity to exchange ideas outside of the business day. In the afternoon, the doors are opened for a factory tour, which a large part of the employees use to proudly show their own workplace.

The children were able to romp on a carousel and a bouncy castle. In the actual canteen area, they can relax in the "chill out area" or beautify themselves with glitter tattoos as well as make-up. And with the bull riding, many of the internal departmental duels of the employees are carried out with fun. Almost 800 guests celebrate together with the management.

On the occasion of the Family Day the employees and the family Braun donate € 1,000 for a good cause. The amount will support the hospice group in Endingen, which since many years accompany on a voluntary basis ill persons and dying people.

Braunform at a Glance

Founded in 1977, today Braunform is with more than **350 employees** considered to be an innovative leader in the plastics processing industry. The precision mold shop is distinguished by its profound understanding of technology and sophisticated customer requirements as well as its high sense of awareness for quality.

The company stands for **Full Service Engineering** in mold manufacturing, starting with the development right up to the qualification and to a demanding clean room production. The fully air-conditioned mold shop with the latest production technology belongs to the world leading facilities for mold technology. The industries Braunform services include **Pharma, Personal Care, Consumer Goods, Packaging, Automotive, Electric and Water Technology**.

The company is specialized in the manufacturing of **multi-component molds, multi-cavity molds, stack molds, molds for the medical industry (MED Mold®)**, as well as fast and long-life **rotary tables**. In addition Braunform is characterized as an ideal partner for new product ideas with **thermoplastics, TPE, silicone** and **ceramic**. For the pharmaceutical industry Braunform offers sophisticated manufacturing processes including automated assembly and stamping systems in clean rooms GMP C and D. In the **Technology center**, customers may use injection mold machines with 2 component (with silicone injection) and 3 component applications for pre-series manufacturing.

Due to the project management and the full-service engineering **shortest time-to-market times** become possible and **costs** are **significantly reduced**. The main focus is always on **process assurance, shorter cycle times, increasing output quantities and all at the highest of quality - Engineering made in Germany**. The company is certified according to DIN EN 13485 / 15378 / 9001 / 14001 / 50001.

Braunform is a long-term oriented, family-owned company. This is illustrated through a high reinvestment quotient and in a trainee percentage of 13 % of the regular workforce. Braunform is one of the best employers in the German middle class and has been awarded with the „Top Job“ Award twice 2014 and 2017.

Braunform – Connected to people. At home in the region. In demand worldwide.
