

PRESS RELEASE

Three employees honored in September for a total of 110 years of service

Dieter Kümmerlin and Volker Kreutner celebrated 40 years of seniority. Dominik Krämer can look back on 30 years of operation.

To work such periods of time successfully in one and the same company is a special feature nowadays. Owner and managing director Pamela Braun expressed her thanks to the celebrators for their commitment, loyalty and dependability. She explained that these employees in particular have made a very personal contribution to the development of the company. Erich Braun, founder of the family-owned company, also personally thanked the employees once again for the longstanding good cooperation and the special commitment of each individual. At Braunform GmbH, which now is with 375 employees, qualification and further training as well as self-responsibility are of highest priority.

Braunform at a glance

Founded in 1977, Braunform with 375 employees is now considered to be an important employer in the region. The long-term oriented family-owned company based in Bahlingen and Endingen am Kaiserstuhl is an industrial solution provider and strategic partner in the field of injection molds. Braunform is one of the world's leading companies in the plastics processing industry and has set itself the goal of manufacturing injection molds with which - according to the current state of the art - plastic as a raw material has no alternative or is more resource-friendly than the possible alternative. The fully air-conditioned precision mold shop with the latest production technology serves industries such as Pharma, Personal Care, Water Technology and Automotive. In addition, pharmaceutical products are produced in state-of-the-art clean rooms with highest quality standards for customers worldwide.

The certified company relies entirely on "Engineering Made in Germany" and a high trainee percentage (12 %). The sustainability statement, which is firmly anchored in the company's policy, commits Braunform to constantly improving its own CO2 footprint. The company's corporate health management as well as the social commitment are given high priority. As one of the best employers in the field of SME's in Germany, Braunform received the "Top Job" award for the third time in 2020, after 2014 and 2017.
