### **25 Years of a "Can-Do" Attitude: Michael Kerzenmacher-Ziser Celebrates His Anniversary**

25 years with the company—and never a dull moment: Michael Kerzenmacher-Ziser exemplifies dedication, flexibility, and extensive experience in his daily work.

He began his career at Braunform in production. Over the years, he has continuously developed his skills and now works in the Technical Services department at the Endingen site. His key responsibilities include monitoring and performing daily checks on the entire building services infrastructure.

Thanks to his trained eye, he spots potential issues early on, ensuring the reliable operation of technical systems. His work plays a crucial role in keeping daily operations running smoothly. Yet, his contribution extends far beyond these core tasks: whether it involves maintenance, repairs, or unexpected challenges, Michael Kerzenmacher-Ziser is always on hand when pragmatic solutions are needed. His strengths lie not only in his technical craftsmanship but also in his solution-oriented approach and his willingness to take responsibility.

What truly sets him apart is his "can-do" attitude: he takes action rather than hesitating, always finding straightforward and effective solutions. This reliability makes him a valued point of contact for his colleagues.

Even after 25 years, continuous professional development remains a given for him. Through regular training, he keeps his knowledge up to date and stays at the forefront of technical advancements. One thing is certain: Michael Kerzenmacher-Ziser is an indispensable part of the Braunform team—an experienced colleague who can always be relied upon.

## Braunform at a glance

Braunform GmbH was founded in 1977 by the Erich Braun family in Bahlingen am Kaiserstuhl and is one of the world's leading partners in the field of plastic mold making today. As innovative company in the plastics industry, Braunform develops and manufactures high-precision injection molds that enable customers to produce sophisticated end products efficiently and reliably.

With more than 30 years of experience in the pharmaceutical and medical market, Braunform has established itself as a reliable partner for these highly regulated industries. A particularly unique selling point is the company's own MED Mold® standard - a quality promise for maximum precision and cleanroom suitability. A further unique selling point of the mold-shop is the production in own clean rooms according to GMP C and D.

Braunform GmbH is currently managed by Ms. Pamela Braun (Managing Partner), Mr. Emmanuel Foyer (Managing Director) and Joachim Stiller (Managing Director). With around 380 employees, Braunform is a major employer in the South Baden region and stands for sustainable growth, technological excellence and social responsibility.
