

PRESS RELEASE

30 Years of Responsibility in Purchasing and Materials Management

Braunform GmbH congratulates Patrick Kurz on his 30-year company anniversary. Since joining the company on July 15, 1996, he has continuously developed his professional career at Braunform and today holds overall responsibility for Materials Management.

His career began in Purchasing as a Commercial Employee. Thanks to his extensive expertise, entrepreneurial mindset, and exceptional commitment, he was appointed Head of Purchasing and Logistics in 2006. In his current position, he is responsible for the strategic and operational management of Materials Management, making a significant contribution to the company's performance and competitiveness.

"Over the past 30 years, Patrick Kurz has impressively demonstrated what can be achieved through expertise, commitment, and a strong sense of responsibility. He has provided important impulses, further developed processes, and played a key role in shaping the positive growth of our company," emphasizes Pamela Braun, Managing Partner and Managing Director of Braunform GmbH. Founder Erich Braun also pays tribute to their long-standing collaboration: "Patrick Kurz is an exceptionally reliable and highly valued employee for Braunform. His expertise, loyalty, and personal dedication have made a substantial contribution to the success of our company."

Patrick Kurz's professional development is a prime example of the opportunities Braunform offers its employees. Personal responsibility, continuous professional development, and long-term career prospects are key elements of the family-owned company's corporate culture. Outside of work, Patrick is equally active and versatile. Whether mountain biking, traveling around the world, or playing football, he demonstrates the same qualities that distinguish him professionally: perseverance, determination, and team spirit. For many years, he played successfully in Germany's Association League and Oberliga before later passing on his experience as a coach.

Braunform at a glance

Braunform GmbH was founded in 1977 by the Erich Braun family in Bahlingen a. K. / Germany and is one of the world's leading partners in the field of plastic mold making today. The company develops and manufactures high-precision injection molds that enable customers to manufacture sophisticated products efficiently and reliably.

What began as a regional family business is now a global partner, particularly for the pharmaceutical industry. Using state-of-the-art technology and highest precision, the company designs and manufactures injection molds that enable the production of pharmaceutical products – thereby contributing to improving the quality of life worldwide.

With over 30 years of experience in the pharmaceutical and medical market, Braunform has established itself as a reliable partner for these highly regulated industries. A unique selling point is the company's own MED Mold® standard – a quality promise for maximum precision and cleanroom suitability. Another unique selling point of the mold making division is the production of pharmaceutical technology in its own cleanrooms in accordance with GMP C and D.

Braunform GmbH is currently managed by Ms. Pamela Braun (Managing Partner), Mr. Emmanuel Foyer (Managing Director) and Joachim Stiller (Managing Director). With around 370 employees, Braunform is a major employer in the South Baden region and stands for sustainable growth, technological excellence and social responsibility.
